

DÖRFEN
IMAGINE. CREATE.

ELEVATE YOUR ARCHITECTURAL VISION WITH OUR DOORS & WINDOWS.

ULTRA-MODERN ALUMINIUM DOORS & WINDOWS.

www.dorfenglobal.com

SAY HELLO TO AN UPSCALE LIFESTYLE.

DÖRFEN Aluminium doors and windows systems is born out of the passion to create forever inspiring spaces. DÖRFEN is a result of over three decades of enriched experience in windows systems. DÖRFEN features an extensive range of elegant and luxury Aluminium Windows and Doors that provide timeless charm to your brilliantly engineered homes or spaces. Incomparable quality, inimitable designs and incredible versatility makes windows and doors from DÖRFEN stay fascinating forever.

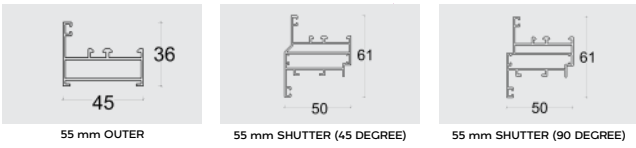

Created with the most advanced technologies and stringent quality control measures that ensures maximum precision and elegance to the product. DÖRFEN incorporates superior grade raw materials - powder coating for aluminium, accessories, hardware, etc. that ensures world-class quality. Made of 6063-T6 grade aluminium, DÖRFEN's range of aluminium products provides exceptional durability and supreme strength. All the doors and windows from DÖRFEN have perfect finishes that make the frames fit well with each other and with the aesthetic of the interior and exterior spaces.

AT DÖRFEN, WE BRING YOU...

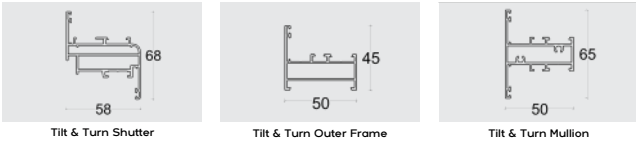

- Diverse array of products
- End-to-end solutions
- Comprehensive consultation
- Customised designs
